

Free Keychain Bob/Ornaments

By Sandy Holman Sackett

These little snowmen key bobs are a quick project that adds a very cute little bob to your keychain or use them as an ornament for you tree later this year. Sandy has painted these designs on our 2 1/2" round laser cut ornaments. Add wire or a keychain to complete the project as you see fit.

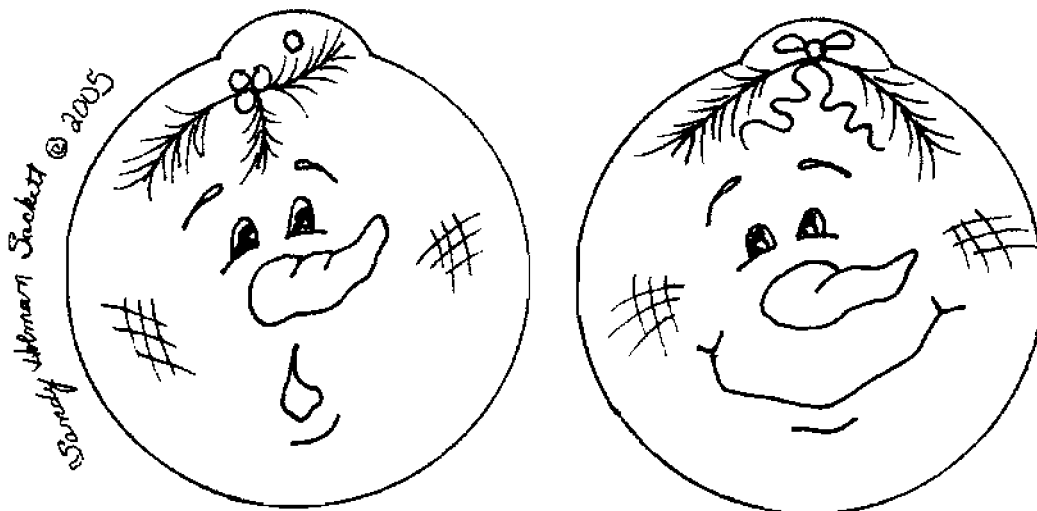

Round Ornament Keychain Bobs

A set of 2 of our round laser cut ornaments and 2 keychains to complete this design project. The rounds are laser cut from 1/8" birch plywood.

PALETTE: DELTA CERAMCOAT ACRYLIC PAINTS

Light Ivory, Ivory, Spice Brown, Black, Gamal Green, Red Iron Oxide, Georgia Clay

PAINTING INSTRUCTIONS

Base the rounds with two thin coats of Ivory. Float around the outer edges of the rounds with Spice Brown. Cut a small piece from the expandable sponge; dampen. Highlight the center of each round with a light sponging of Light Ivory. Sponge on dabs of snow here and there around the outer edges of the rounds. Transfer patterns to rounds with graphite paper. Shade snowmen under noses, under eyelashes, under mouths and around corners of eyes with Spice Brown. Dry brush cheeks with Red Iron Oxide. Using a 10/0 liner brush, paint cross hatching on cheeks with thinned Red Iron Oxide. Base the pupils with Black. Apply Light Ivory dots to each pupil and cheek. Base the noses with Georgia Clay and shade with Red Iron Oxide. With thinned Black, outline the eyes, eyebrows, noses and mouths. Paint the branches with Spice Brown. Using the liner brush, pull out pine needles from branches with Gamal Green. Using the handle end of a brush, dot the berries with Red Iron Oxide.

FINISHING

Spray with several light coats of gloss spray finish.
